

Admissions procedure
September 2021

This will probably be your child's first time in such a big setting, so it is vitally important that the transition from home to Nursery is as 'trauma free' as possible. We have developed our admissions procedure with this in mind along with the covid-19 socially distanced guidelines.

As it is essential to develop a good relationship with each child, we will be admitting the children in two groups for a reduced time for the first three weeks. The full session will begin from **Monday 27th September i.e. 9.00am-11.30a.m**

Group 1 will attend from 9:00am-10:00a.m Wednesday 1st September
Monday 6th September

Group 2 will attend from 10:30am-11:30a.m Wednesday 1st September
Monday 6th September

Monday 13th September all children will be in Nursery from 9:00a.m-10:30am

Monday 20th September all children in from 9:00am - 11:00am

Monday 27th September all children in from 9:00am -11:30 am

On day one of your child's attendance one parent may escort child to the main door wearing a mask, unfortunately under current guidelines parents are unable to enter the school building. We appreciate this is a big step in your child's life and we will do our absolute best to help your child settle. If you are concerned about how your child is settling in please do not hesitate to contact me. If you are waiting please ensure your distance from others, thank you. At collection times please wait at the main gate and we will escort your child to be collected. From Thursday 2nd September your child will be escorted from the main gate into Nursery. Many thanks for your cooperation.
