

April Newsletter 2021

Welcome back after a lovely Easter Break. I hope you had a wonderful break spending some quality time together. We are well rested and keen and eager to get going for April! Fingers crossed for some better weather so we can really enjoy our outdoor area with the fab new fencing which was installed just before the Easter break.

The Curriculum

This month, we will be learning about 'Our Community', exploring: the jobs that people have; the tools that they use; the names of different work places etc. We will be doing this mainly through story time, language activities and role playing. We will change our role play area into a shop and hairdressers. Our colour focus this month will be on red and blue, and our shape focus is on squares.

Circle Time

This month, we will use circle time as an opportunity to talk about what the children want to be when they grow up. We will also explore the different items that can be bought in shops. Circle time activities help the children to develop their talking and listening skills as well as their levels of self- esteem and confidence. We continue to encourage all children to participate in circle time and follow the rules associated with it.

This Is The Way We Cross The Road

This is the way we cross the road,
We cross the road, we cross the road.
This is the way we cross the road,
We stop, look and listen.

Five current buns in the baker's shop,

Big and round with a cherry on the top.
Along came..... with a penny one day,
Bought a current bun and took it away.
Four current buns in the baker's shop ...
Three current buns in the baker's shop ...
Two current buns in the baker's shop ...
One current bun in the baker's shop ...
No current buns in the baker's shop,
Nothing big and round with a cherry on the top.
Along came..... with a penny one day,
"Sorry" said the baker, "no more current buns today."
